

**JONATHAN PETERS PRESENTS
SUPA FREQ: OPENING NIGHT
FRIDAY, DECEMBER 1st 2017**

Manhattan, NY — Triple platinum producer and DJ, Jonathan Peters is returning to Manhattan for his new Friday night residency at Freq NYC. Jonathan Peters has played at some of the biggest clubs including Sound Factory, Amnesia, Pacha, Governor's Island, Roseland Ballroom, Terminal 5. We are excited to present the new weekly party, Supa Freq.

Freq is located at 647 W 50th Street, where Space Ibiza NYC was previously located. The club is under new management and has been completely remodeled, but still features an incredible Funktion-One sound system. Soundcheck by multiple grammy-winning sound recording engineer, Kirk Yano, no big deal. The newly renovated club has 3 separate dance rooms to recreate the big club experience New York has been yearning for.
